Boy Scouts-harrow house, Lions Club, Hay-ride and weight guessing, Future Homemakers, Candy apples, D. C. T., Bean bag throw, F. H. A., home made candy, Student Council, White Elephant Sale, and P. T. A., Barbecued hamburgers, Rotary Club, Hot-dogs and cakes.

Halloween masks and costumes are optional and not required to be worn by the children to attend the carnival.

Morans Called To Clewiston Wednesday

Mr. and Mrs. Charley Moran of Pahokee were called to Clewiston last Wednesday by the death of his sister-in-law, Mrs. Elsie Moran, 51. She died in the Hendry County Hospital following a long illness. Her husband, Henry Moran, preceded her in death last October.

The funeral services were held Friday in Clewiston.

Rardin Re-Elected To State Directorate

Veteran Palm Beach County Commissioner Paul Rardin of Canal Point was re-elected to a directorship in the State Association of County Commissioners when that group held an annual convention in Fort Lauderdale this week.

Commissioner Rardin has been a member of the board of directors for more than ten years, having served as secretary-treasurer, vice president and in the top position of president in 1951. Since that time he has either been a director-at-large or a district director. At the convention this year he declined to run for director-at-large but was drafted for the other job.

County Councils Elect Officers

4-H County Councils met Friday, October 20, at 10:00 a. m. in the Mounts Building in West Palm Beach. County Council Officers were elected at this meeting and will be installed at the Annual Awards Program on Nov. 20. Twenty-two clubs were represented at the meeting by 130 girls, boys and their leaders. Among those elected for office from Canal Point were: Wargen Repper elected as Parliamentarian of the, Boys Council officers. Janette Harrington, was elected Reporter for the Other Girls Council Officers. Janette is the out-going president of the Council having served in this office for the past two years. Linda Day of Lantana is the new president.

Officers and leaders present at this meeting were County Agricultural Agent M. U. Mounts, Assistant County Agent; Charles Tucker, Mrs. Laura Burgard, Assistant County Home Demonstration Agent; also Miss Meriam Lo Pinto, Assistant home demonstration agent and others.

4-H Club members and leaders attended this meeting from Canal Point were: Janette Harrington, Nancy Harrington, Peggy Bitting and Maxine Trett. They were accompanied by A. R. Harrington and Mrs. Bruce Bitting.

Harrington Again School Trustee

Trustee A. Roswell Harrington of Canal Point will be elected on Nov. 7, as a member of the board of school trustees of Palm Beach county without opposition. The qualification date came and went and the local school man was fortunate in drawing no opposition.

Two other members of the present board of trustees—James Nemece of West Palm Beach and Lawrence Myers of Lake Worth—will have to go into a short campaign to retain their seats.

Nemece, who represents the northern coastal district, faces G. Ray Sparks of West Palm Beach. Myers and Thomas F. Wyatt of Lantana will contest the south coastal area seat.

Mr. Harrington represents the Glades area west of 20 Mile Bend.

Nazarene Church Holding Revival

The Nazarene Church in Pahokee is having a revival this week, according to the pastor, Rev. Max D. Jones. It started Wednesday and will continue through Nov. 7.

Rev. R. L. Horton, one of the old-timers with 35 years experience, is bringing the sermons. The Horton Trio is presenting special singing and instrumental numbers each night.

Bacom Point Road Work Bid Received

Weekly Paving Company of Hallandale was low bidder on the 2 miles of secondary road construction in Pahokee when bids were received by the State Road Department in Tallahassee on Tuesday of this week.

The short piece of work calls for widening Bacom Point Road between the First Baptist Church and the City Park. There will be gutter and sidewalks added when the street is widened.

County Commissioner Paul Rardin arranged for the work to be done out of secondary gas tax funds allotted to the county. The Weekly bid was \$54,398.00.

Farm Bureau Has Its Annual Bar-B-Q

Farm Bureau's Annual Membership drive barbecue and covered-dish supper was held Tuesday evening at the Canal Point Community Hall, with Roscoe Braddock of Belle Glade acting as Master of Ceremonies.

Hon. Emmett S. Roberts of Belle Glade was introduced as the guest speaker, by Mr. Braddock. He also introduced Jerry Thomas, of West Palm Beach, State Representative. Mr. Roberts chose as his subject "Agriculture in Florida".

Between two and three hundred Farm members and their families attended the meeting and took part in the "Community Sing" led by Mr. Braddock, accompanied at the piano by Mrs. Dorothy Ingram, of Belle Glade.

Betty Johnson, daughter of Mr. and Mrs. W. E. Johnson of Canal Point was awarded first prize in the "Local Talent Find" Contest. Four contestants tried out for this prize. The others competing were: Susan Weaver of Lake Harbor; Alice Robertson and Duane Stokes, both of South Bay.

The prize will be a trip to Miami in November at which time she will be eligible to compete in the State Talent Find Contest. Which will be held at the State Convention of the Farm Bureau.

Annual 4-H Awards Scheduled Nov. 20

The Annual 4-H Awards program will be held on November 10 and not on November 20 as previously reported.

The county winner in each subject will be given their awards at this program and leaders for the past year will also be honored. Friends of 4-H who have helped with the 4-H program in the county will also be invited to attend.

Gordon White, Jr. Assistant State Boys' 4-H club agent, will be here that evening to explain the National 4-H club awards program. All parents and all leaders will be invited to attend.

Mrs. Ella Sears returned to her home Wednesday after being a patient in Good Samaritan Hospital in West Palm Beach since Sunday. Her condition is greatly improved.

Stuart Eleven To Come Here Tonite

The Stuart foot ball squad will come to Pahokee tonight to do battle with the Blue Devils and the local warriors will make a supreme effort to add another win to their column after dropping their first one last Friday night to Lake Worth.

The margin of a safety separated Lake Worth Trojans and the Blue Devils in the big game of last week.

The 15-13 in favor of Lake Worth score sent the Suncoast Conference into a wide open status again.

Forest Hill trimmed Clewiston, 21-0; Stuart bowed to Vero Beach, 13-7, in a non-conference game; Ft. Lauderdale tame Palm Beach's Wildcats, 39-6; Kissimmee edged Okeechobee 12-7; Riviera Beach snapped its loss skien with a 18-13 victory over Ft. Pierce. With Seacrest losing to Belle Glade Thursday night, 7-6, Pahokee and Forest Hill are tied for the lead with 4-1 conference records; Lake Worth stands at 3-1, and Seacrest, 2-1-1.

The score wasn't the only tight aspect of the game. In first downs, the Trojans led 12-11, in yardage, by 131-81 and in passing, trailed Pahokee, 86-51.

Disabled Qualify For S. S. Benefits

R. C. Gehrken, District Manager of the West Palm Beach Social Security Office, reminded area residents of a change in the social security law permitting payments to a greater number of disabled workers.

This change eliminated the requirement that a person had to be age 50 before social security disability benefits could be paid. Beginning with November 1960, it became possible to pay these benefits to all disabled workers regardless of their age if they met the other requirements in the law.

Mr. Gehrken pointed out, however, that this did not change the disability provisions in any other respect, nor did it change the definition of disability under the social security law, which is that the worker's condition is so severe that he is unable to do any substantial work.

Persons with an illness or injury that is expected to improve with time, or individuals that have not worked a sufficient period of time under social security (5 years during the 10 years ending when they became disabled) are still not eligible under the law.

Mr. Gehrken added that a number of severely disabled workers under age 50 might be eligible for benefits immediately. These are the people that have never filed an application and have had their disability at least six months. The change now permits payments to these individuals and their dependents (wives, minor children, and disabled adult sons and daughters over 18 years of age whose disability began before age 18). These people should get in touch with the representative who regularly visits this area as soon as possible.

Record Is Set By Tourists To State

Nearly 10.6 million tourists came to Florida the first nine months of 1961, the Florida Development Commission said in Tallahassee.

This is almost as many as the state attracted during the entire 12 months of 1960, a Commission spokesman said, and "only 1.4 million short of our goal of a record 12 million this year with three months still to go."

Florida hosted 10.8 million visitors last year, a drop of half a million from 1959's record 11.3 million. At the half-way mark of 1961, Florida had gained half a million over the corresponding period in 1960.

The third quarter report showed 4.6 million out-of-staters came to Florida during July, August and September, only 1.4 million fewer than came during the previous six months.

Bulk of the visitors came by car with 1.76 million in July and 1.69 million in August. Half a million drove to Florida in September.

Plane, train and bus passengers to Florida during the three-month period numbered 356,294; 130,846 and 47,497 respectively for a total of 534,637.

Drivers License Is Said Foolproof

TALLAHASSEE—The new Florida driver's license is about as foolproof against the trickery of man and the weather as a piece of paper can be.

The Department of Public Safety put its new one and two year driver's license on a special water resistant paper known as Permafiber, one with several special features.

The selection of this paper was the result of several months research by the department which realized that with the issuance of a two year license it would have to be printed on a product with extra durability and longer lasting qualities.

In the first place the paper will literally live in water without fading, crumpling or fluffing, and it is tinted with an ink that comes right off if any effort is attempted to tamper with name or other writing on the license.

The department experimented with sample licenses by subjecting them to various durability tests, and found, for one thing that Per-

mafiber takes to water like a duck. One year driver licenses are tinted green and the two year permits are tinted red. The use of an eraser, ink eradiator or any other type eraser, will eliminate the ink tint which leaves a telltale white place—the paper's original color.

This is a special feature of the new paper which will make the license tamper-proof, and easy to spot by any law enforcement officer upon examination.

Aldridge Home Scene Of Meeting

Mr. and Mrs. W. K. Aldridge's home in Pahokee was decorated to simulate an Italian setting for the social meeting and spaghetti supper last Thursday evening given by the members of the Xi Beta Tau Chapter, Beta Sigma Phi Sorority. Mrs. Richard Mason and her social committee were in charge of the arrangements.

Out of town guests were Mr. and Mrs. Bill Buxton of Hialeah, also Mr. and Mrs. Jack Phillips of Fairfax, South Carolina.

RESOLUTIONS OF RESPECT

In MEMORY OF Brother Marion F. George, who passed away August 27, A. D. 1961 A. L. 5961.

The Angel of Death has invaded the ranks of the Craft and summoned one of the true and faithful. His passing leaves a pang of sorrow, and a feeling of sadness. His voice will be heard no more around the altar of Masonry, but the noble example of his usefulness and unselfishness and devoted life will continue to live, to guide the footsteps and direct the conduct of many men.

His achievements and sacrifices will live in the hearts of the Craft, and we shall think of him as living a beautiful, ascending and expanding life, made radiant by the lights of true Fraternal Love.

Resolved that Everglades Lodge, No. 211 F. & A. M. of Pahokee, Florida in testimony of our loss, be draped in mourning for the proper period and that we tender the Family our deepest sympathy in their affliction, and that a copy of these resolutions be sent to the Family.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half, then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

All officers and committee chairmen are urged to attend this meeting.

Angus Sale Nov. 3 At Glades Market

LOXAHATCHEE — Registered and commercial Angus breeding cattle will be sold Friday, November 3rd at the Glades Livestock Market, Belle Glade, when M & M Ranch of Loxahatchee holds its annual Fall Roundup Sale with a guest consignment of 15 bulls from Gulfstream Farm at Fort Lauderdale.

Three fine herd sires will be included in the auction, thus creating an unusual opportunity for breeders who wish to add top-notch breeding bulls to their herds, reports Scott French, M & M manager.

50 Angus bulls two to six years old will be sold in the auction with 35 of them coming from the M & M Ranch and 15 from Gulfstream.

Also selling will be 30 purebred Angus cows, with calves at side or safe in calf, and 30 purebred open heifers.

Commercial Angus selling include 20 cows, all safe in calf, and 30 open heifers.

The sale will begin at 12:30 p. m., with Bob Cooper of Sarasota as auctioneer.

Quarantines Are Lifted In State

TALLAHASSEE — Commissioner of Agriculture Doyle Conner today announced all quarantines in Florida, both State and Federal, for cattle fever ticks, with one exception, have been lifted effective October 17.

The quarantines at the "Africa U. S. A." animal compound near Boca Raton remain in effect, Conner said. It was there that African red ticks were found in September, 1960, the first time they had been identified on this continent. Lifting of the quarantines there will be taken under consideration by State and Federal authorities at a later date.

Since cattle fever ticks were found on May 31, 1960 in south Florida, more than one million cattle have been systematically dipped and inspected in infested areas, according to Dr. C. L. Campbell, director of the Division of Animal Industry. A co-operative State Federal eradication program got underway soon after the first tick quarantines were established in Martin and Palm Beach counties in June, 1960.

Tripp Alderman Off To Special School

Tripp Alderman, son of Mr. and Mrs. L. G. Alderman of Pahokee, has left for Woodrow Wilson School in Fishersville, Virginia, where he will take special training for the handicapped. Housing Loans Are Now Available

Families living in small rural communities and in rural areas, even though not engaged in farming may now be eligible for the housing loans made by the Farmers Home Administration, according to John S. Stewart, County Supervisor for the east coast counties of Florida.

The Housing Act of 1961 broadened the eligibility requirements for rural housing loans. As a result owners of non-farm tracts of land in rural areas and in small rural communities of not more than 2,500 population, as well as farmers, may be eligible for this type of credit.

*"Today we need a nation of Minute Men....
citizens who regard the preservation of freedom
as a basic purpose of their daily life...."*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration
as the 35th President of the
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unrelenting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

For 20 years America's newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Dept. is grateful to The Advertising Council and this newspaper for their patriotic support.

Christian Science Group Of Canal Point

How to avoid the mistakes of the past will be brought out Sunday in all Christian Science churches. Highlighting the Lesson-Sermon entitled "Everlasting Punishment" is the Golden Text from the Bible: "Wherefore doth a living man complain, a man for the punishment of his sins? Let us search and try our ways, and turn again to the Lord" (Lam. 3).

One of the citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Mortals move onward towards good or evil as time glides on. If mortals are not progressive, past failures will be repeated until all wrong work is effaced or rectified. The divine method of paying sin's wages involves unwinding one's snarls, and learning from experience how to divide between sense and Soul (p. 240).

**Here's what the new 3½% interest rate
on U.S. Savings Bonds means to you:**

\$3 = \$4 *fourteen months faster than before*

***The Bonds you own are better
than ever, too***

The new 3½% rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra ½% from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remember,

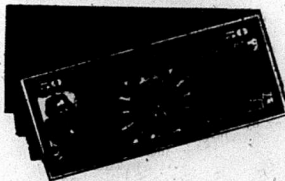

the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

The Farm Front

"I'm afraid I don't know much about a farm," a charming lady said to me recently. "My husband and I live in an apartment and we don't even have a garden. So, you see, your Department of Agriculture doesn't have much to do for people like us in the city."

"You'll be surprised to learn in how many ways the Department's work affects your everyday life," I replied. "First of all let's consider the food you eat. Everything you buy in the food line—fresh, frozen, package, meat, poultry, eggs, milk—practically anything you can name is subject to inspection by our inspectors."

"Do you happen to have a dog?" She nodded.

"You'll be interested to know that all dog food, canned or dry, must be registered with the Department and pass our inspection."

She was interested now, and I continued.

"I suppose you use an insect spray now and then?" Again she nodded.

"Every pesticide sold in Florida, liquid or dry, must be registered with the department. Not long ago we warned residents of a large Florida city against using an unregistered pesticide which our analysis showed contained a deadly poison that could cause death by absorption through the skin."

Then I asked her about an auto mobile. She informed me she and her husband owned two cars.

"Then you'll be glad to know," I explained, "that the Department is constantly alert to protect your interests as a user of gasoline and brake fluid. We inspect all light petroleum products sold in Florida—gasoline and kerosene principally—and their dispensing pumps or meters to make sure you get the quantity and quality for which you are charged."

"No doubt you have a doctor's prescription filled now and then," I continued. "Very soon we shall be checking for accuracy all of the delicate scales used by druggists throughout the state. When we add that task to our current inspections, the range scale capacities within our jurisdiction will include weights from a fraction of a grain up to 100,000 pounds and more."

"But I thought agriculture has to do with farms and growing things like cows and chickens and pigs," the lady said. "I had no idea your Department covered so many different fields."

She was partly right, of course. We do render many services to the producers of agricultural products. But in addition, the Department serves ALL the people of Florida in many, many ways through its inspection activities for the protection of many kinds of consumers. She's only one of many thousands who aren't aware of it.

Because I'm proud of our Department and the many services we render, it's always a pleasure to tell our story wherever I go. What surprises me is that so many people think that, because they don't live on a farm or are not engaged in some sort of agricultural activity, they have no interest in, or benefit from, their Department of Agriculture.

Of course I wouldn't expect to make much of an impression on the type of person of whom the story is told that a friend asked her, on her first visit to Florida, "And how did you come down here—by train or plane?"

"Well, really I don't know," she replied. "You see, my husband bought the tickets."

Henry Green Rodgers of Bryant was admitted to St. Mary's Hospital early this week for x-rays and health checkups.

Precinct Meeting At Glades Building

There has been a change in the meeting of all Glades Precinct Workers for the School Trustee Millage Election of November 7th, 1961.

The meeting for Poll Workers from Precincts 35, 36, 37, 38, 38-A, 39, and 40 will be held at the Glades Office Building, State Road 441 at Hooker Highway, between Belle Glade and Pahokee, at 8:00 p. m., October 30th, 1961.

\$100 Prize Offer For New Ag Slogan

TALLAHASSEE—Commissioner of Agriculture Doyle Conner today announced the official rules for the Florida Agricultural slogan contest and invited entries from throughout the State in the Florida product identification program.

Several weeks ago Conner made an offer of \$100 to the person or firm that came up with a slogan, a mark, a phrase or symbol that would ideally promote Florida agricultural products. The offer was made during the meeting of the Florida Fruit and Vegetable Association in Miami Beach.

"Such an identification would mean more and better consumer acceptance of our quality citrus and other fruits and vegetables," said Conner. "I feel that Florida is missing a good bet by not having a proper identification of all of its quality products."

Since his initial offer of \$100, the Commissioner reported that the Florida Fruit and Vegetable Association had added \$100 and that there may be several other offers raising the prize money in the near future.

Official Rules for Agricultural Slogan Contest follow:

Each entry must be submitted individually, printed on a plain piece of paper. Name and address of contestant must be attached to each entry.

Added entries to the Florida Agricultural Slogan Contest, Department of Agriculture, State Capitol, Tallahassee, Florida.

Entries must be postmarked not later than December 31, 1961. No entry will be accepted if delivered later than January 5, 1962.

Winning entries will be selected by an independent panel of judges to be named by the Commissioner of Agriculture.

Mrs. Jean Bacon Honored At Party

Mrs. Jean Bacon, recently moved with her family from Pahokee to Belle Glade, was honored with a dessert bridge party Saturday at the home of Mrs. Jess Elliott. Mrs. Ellis Walston was co-hostess and both were assisted in the entertaining by Mrs. Elliott's mother, Mrs. Emma Wheeler.

The party included sixteen guests. High scores were Mrs. Robert Apelgren, Mrs. Frank Friend, and Mrs. James G. Thompson, Jr., also the guest prize was presented to Mrs. Bacon.

Mrs. Clyde Harvey, Mrs. Elliott's sister, of Lakeland and Mrs. Joe Friedlund of Belle Glade were the out of town guests.

Sorority Group In Hatton Home Meet

The Beta Omicron Chapter of the Beta Sigma Phi Sorority met at the home of Mrs. Laura Hatton, with Mrs. Louise Zaccagnino presiding.

Mrs. Elaine Mindlin presented a program on "The Menace of Communism to the American Way of Life."

Plans were made for a costume party and covered-dish supper to be held at the home of Mrs. Frances Moore in honor of the Chapter's five new pledges.

Plans were completed for the club to sponsor a benefit rummage sale with Mrs. Zaccagnino in charge of arrangements.

Florida Fairs To Be Bigger, Better

"Bigger and better than ever..." That's mighty fair talk, but it fits the 1961-62 schedule of Florida Fairs and Livestock Shows. "Brighter shows, better turn-out," officials and managers are reporting from nine fairs and livestock shows which led off the Florida season.

The usual clatter and color of the midway are backed up by more varied and higher class exhibits than last year's impressive statewide series.

G. C. Norman, program specialist with the state division of Agricultural Education, said that youth participation overall—compared with previous years—had attained this year the highest point on record.

North Florida Fair at Tallahassee, drawing entries and exhibits from many North Florida counties, will have in its FFA division alone 155 head of breeding hogs and 5 barrows, Norman said.

Moreover, a Beef Cattle Show will feature entries in youth and adult divisions at Tallahassee. North Florida Fair Manager Lloyd Rhoden said that 4-H and FFA participation would be exceptionally good this year, with extras including a flower show and a separate "home" division.

Highly successful was the West

Florida Dairy Show at Chipley. J. E. Davis, Washington County agricultural agent and dairy show manager, reported that the 106 animals offered were the finest ever shown there from point of quality.

Eight fairs or shows, including a Junior Livestock and Poultry Show at Ocala, have already been staged, at points mostly in north Florida.

MOVE TO W. P. BEACH

Sgt. and Mrs. C. M. McWilliams and family former residents of Pahokee moved this week from Jacksonville to West Palm Beach. He is serving with the Florida Highway Patrol Division.

Luke Dufresne Is Lions Club Speaker

Luke DuFresne, Administrator of the Everglades Memorial Hospital was guest speaker at the Canal Point Lion's Club Meeting Monday evening. J. G. Weeks, President, presided over the business session.

A. R. Harrington, Program Chairman introduced DuFresne, who in this talk brought the Lions Club members up-to-date on the financial affairs of the Hospital.

R. J. Schroder, member of the Pahokee Lions Club attended the meeting along with two other visitors.

This lovely little phone goes tastefully in any bedroom. It saves time and steps whenever there are calls to make or take.

To each her own Princess

Nowadays you see Princess phones in the nicest bedrooms of the nicest homes. They fill the need for an extension, and fill it beautifully.

Why not a Princess for you, or for someone in your family? Call the Telephone Business Office or ask any telephone serviceman.

By the bedside a Princess phone gives daytime comfort, nighttime security. The dial lights up when you lift the receiver. You can make calls in the dark, or when light is subdued.

A Princess of her own means privacy for a teen-ager, peace and quiet for parents. There's a choice of decorative colors—white, beige, pink, blue or turquoise. A small separate ring goes neatly on the baseboard.
